

Hotel "Chayka"

LOCATION:
45 km from Nizhny Novgorod in a pine forest on the bank of the Oka River. During two last centuries the place has been favored by respectable citizens of Moscow, Saint Petersburg, and Nizhny Novgorod. And no wonder this place is known for its remarkable nature, picturesque sceneries and high level life style.

RESTAURANTS:
Every restaurant of the Hotel is notable for wonderful cuisine, diversified menu and perfect service. Breakfast restaurant, VIP restaurant, lobby bar, sport-bar, swimming pool bar, night bar.

FITNESS AND WELLNESS:

- Ozonized swimming pool with 56 meter aqua hill, a small pool for children
- Tennis court
- Billiards (Russian and American pool)
- Bowling "Brunswick" (6 bowling lanes)
- Russian bath, 2 saunas, Turkish hamam
- fitness centre

ACCOMODATION:

- Single room (4 900 RUR, 200 Euro)
 - Double room (5 400 RUR, 220 Euro)
 - Suite (10 500 RUR, 420 Euro)
- Price includes breakfast (buffet).

Country Club "Ildorf"

In the Country Club "Ildorf" you will plunge in the atmosphere of a Bavarian village party. You will have an opportunity to taste beer produced in a local brewery and ham cooked in the open fire, boat and ride a horse.

Institute of Urea

6th International Scientific-Practical Conference

«UREA-2011»

17-19 May, 2011

Premium Class Hotel "Chayka"
Green Zone
Dzerzhinsk, Nizhny Novgorod region

It's the 6th time R&D Institute of Urea welcomes on its venue participants of the International Scientific-Practical Conference devoted to urea challenges. The Conference is already well known as a meaningful informational, analytical and methodological platform of urea field.

The list of participants traditionally covers all leading representatives of this field. The conference gives a perfect opportunity to discuss acute problems of the producers in direct contact with engineers, to learn the latest novelties, new projects in this field, commercial strategies of success achievement and of course to communicate with urea colleagues in the informal atmosphere.

You are welcome to join the participants of the International Conference «Urea-2011»!

Tuesday, May 17, 1st day

9.30-10.00

Registration
(Business-centre hall)

10.00

First session
General

1. Conference inauguration. Welcome speech of the officials
2. «R&D Institute of Urea: today and tomorrow» – General Director - Mr. Oleg Kostin
3. «Urea market overview» - feasibility study group head – Mrs. Valeriya Korshunova
4. «Prospects of Russian urea field» - economist of feasibility study group – Mrs. Oksana Semykina

11.40-12.10

Coffee-break
(lobby, business-centre hall)

12.10

Second session
Urea plants revamps

1. «New versatile approaches to prilling technology modernization» - engineer of lab. №1 – Mr. Nikolay Cheblakov
2. «Vibroprillers: advanced developments for prilled urea quality improvement» – general director of RPF «Grace-Engineering» Mr. Alexander Dayneka
3. «Experience of urea units revamps» (topic is to be specified later) - representative of JSC «Gazprom neftekhim Salavat».
4. «Experience of urea unit construction based on relocatable equipment» (topic to be specified later) - representative of "NAK "Azot"

13.50-15.20

Lunch (Restaurant «Aquatoria»
In hotel «Chayka»)

15.20

Third session
**Advanced developments of R&D
Institute of Urea**

1. «Up-to-date highly-efficient energy saving solutions to increase urea units capacity» - PhD, head of lab.№1 - Mr. Yury Sergeev
2. "New large-scale energy efficient technology for urea production developed by R&D Institute of Urea" – senior research engineer of lab.№1 – Mr. Rinat Anderzhanov
3. «New urea based products – innovative approach to diversification of mineral fertilizers» - PhD, Dy.technical director for R&D - Mr. Alexey Soldatov

16.30-16.50

Discussions. Business meetings.
(meeting room)

17.00-18.00

Transfer to country club «Ildorf»
(departure from hotel «Chayka»)

18.00-23.00

**Dinner-picnic in the open air in the
country club «Ildorf»**

23.00-24.00

Transfer to hotel «Chayka», Dzerzhinsk

Wednesday, May 18, 2nd day

10.00

Conference

10.00

First session
**Urea equipment diagnostics,
maintenance and repairs**

1. «Equipment diagnostics: correct diagnosis guarantees successful treatment» - group head of lab. №8 Mr.Vladislav Glagolev
2. «Synthesis reactor repair: prompt solution of a complex challenge» - engineer of lab №8 – Mr. Alexey Tuzov
3. «Efficient cleaning methods of heat exchanging equipment» - head of lab.№8 – Mr. Alexander Chirkov
4. «Modernization of compressor equipment of urea plants» - director of JSC "TRIZ" Ltd., PhD – Mr. Vasily Marstinkovsky

11.40-12.10

Coffee-break
(lobby, business-centre hall)

12.10

Second session
**Urea and melamine:
technologies and quality**

1. «Environmentally safe and resources saving technology of melamine production under high pressure» - senior researcher of lab.№4 - Mr. Evgeny Nikolaev
2. «Melamine quality: myths and reality» - junior researcher of lab.№4 – Mr. Andrey Bondarenko
3. «Urea quality: present-day standartization aspects» - head of lab №4 – PhD – Mr. Alexey Skudin

13.50-15.20

Lunch
(Restaurant «Aquatoria»
In hotel «Chayka»)

15.20

Third session
Safety of urea plants

1. «Computer simulator: safety enhancement and cost reduction of urea plants» - head of computer process simulator group of APC dpt. – Mr. Nikolay Alexandrov
2. «DCS: reduction of urea production cost by means of automation» – PhD, head of APC group - Mr. Vladimir Brusov
3. «Structured system of monitoring and control of engineering systems of buildings and structures – as a basis for integrated objects safety» - head of DCS dpt. – Mrs. Nadezhda Domostroeva

16.30-17.00

Discussions.

17.00

Closing of the conference

18.00-24.00

Dinner (banquet).
Entertainment program
(Festive hall - hotel «Chayka»)

Thursday, May 19, Third day

An excursion to Serafimo-Diveevsky Monastery by bus. Please book your participation in advance, as the number of seats is limited.

Excursion program

8.00

Departure from hotel "Chayka"

Diveevo village is situated 180 km far from Nizhny Novgorod on the Vichkinza river. It is a large administrative centre.

The village was founded in 1559 and was named after the first owner – tartar aristocrat Divey.

Diveevo Monastery has been created for 1,5 century and its land is famous for holy springs of different Russian Saints such as Mother Alexandra, Iverskaya Madonna, Kazanskaya Madonna, Venerable Serafim Sarovsy, Madonna Appearance and others.

22.30

Arrival at hotel "Chayka"

Information for participants

Each participant pays the registration fee - 400 Euro. This cost includes booking of the hotel (without cost of accomodation), transfer from Nizhny Novgorod airport or railway stations, transfers according to the conference program, one copy of conference materials, every day lunches and coffee-breaks during the conference, dinner (banquet), outdoors picnic, excursion. You will receive an invoice based on your registration form.
